## **Inaugural Edition**

Welcome to our inaugural edition of RTH News! As we embark upon our fifth anniversary in our Benicia Shop and the opening of our second location in Napa (Nov. 2007), a newsletter is being rolled out to help keep our customers informed. As you'll see, we've packed this edition with a lot of content on new and exciting products we'll be introducing, as well as a schedule of events that we have planned in 2008. Last but not least, we've included a discount coupon for 15% off any one item purchased prior to the end of March 2008. This is our thank-you for your business which has allowed us to grow.
